## **RECRUITMENT ANNOUNCEMENT**

### **FOR**

## **NURSE PRACTITIONER**

Under the administrative supervision of the Chief Executive Officer, and direct supervision of the Physician, the Nurse Practitioner provides patients with basic treatment of health problems. The Nurse Practitioner also provides assistance in promoting health education and positive lifestyles through promotion of the Women's Healthcare Programs.

#### Minimum Qualifications:

Completion of a nationally accredited Nurse Practitioner educational program; certification as an Advanced Practice Registered Nurse (APRN) or Family Nurse Practitioner as defined by the Nevada State Board of Nursing. Must be licensed as a Registered Nurse; have one (1) year of nursing experience in adult health, family practice, or women's health and prevention; and six (6) months clinical experience as a Nurse Practitioner preferred. A Master's degree in nursing is preferred. Must have current Advanced Cardiac Life Support and/or Basic Life Support certification.

Current license as an Advanced Practice Registered Nurse in the State of Nevada. APRN certification as adult, family, geriatric, or acute Nurse Practitioner, DEA and Nevada State Board of Pharmacy License.
